

PLEASE HOLD UNTIL LAUNCH DATE

SCHOOL HOSTS ONLINE SHOPPING CENTRE TO RAISE FUNDS AND BENEFIT PARENTS AND WIDER COMMUNITY.

Your town, your county, date. Schools should look outside the box and away from the parents of their pupils to raise extra funds, in tough times, says your school representative.

Your School has recently looked “outside the box” with an innovative and simple way to generate an additional income stream in these tough economic times.

Rather than wait for recent government cuts to negatively affect their plans for funding extra curricular activities, Your school, decided to take matter into their own hands and look elsewhere to generate an additional income stream.

“We are very lucky in that we have a very supportive group of parents and benefactors who regularly hold events and activities to help the school, but we realised that with the tougher economic times, we needed to look elsewhere rather than increase the demand on our parents” said your school rep. “More importantly, we feel that with this new method, we can give something back to those very parents and benefactors, and our local community at large”.

By hosting an online shopping centre with a vast range of different retailers, many offering unique special offers to users of this site, the school gain a small percentage of every sale made when the purchaser visits through this site. Not only do Your School get extra money, but the parents of their pupils and anyone else who uses the site can benefit from unique offers, fantastic bargains and in many instances competitive pricing!

Your head master hopes that everyone takes advantage of this opportunity to help us raise extra funds, but their plans do not stop here! In addition to the online shops, the school also hosts a free bulletin board where people can buy or sell their own goods and advertise goods for sale. There are also plans in place to help local retailers and businesses too, making this the start of a new mutually beneficial relationship between Your School and our local community.
